- At the AMC level, ICICI Prudential Mutual Fund manages the highest AUM at ₹4,16,657 Cr.
- Its average 3-year return is 20.88%, compared with the overall average of 18.72%.
- Its average Sharpe is 1.51, compared with the overall 1.25
- Its average Sortino is 3.34, compared with the overall 2.77.
- I then drilled down into its individual schemes

- At the fund-manager level, Sankaran Naren manages the highest AUM at approximately ₹1,21,534 Cr
- Performance : His average 3-year return is 29.93%, compared with the overall 18.72%.
- Sharpe : His average Sharpe is 1.77, compared with the overall 1.25.
- Sortino : His average Sortino is 4.15, compared with the overall 2.77

- Some managers manage only one scheme but have very large AUM
- R. Arun manages approximately ₹57,052 Cr through one fund, while R. Srinivasan manages approximately ₹54,492 Cr through one fund.
- Insight : This indicates that a manager's large AUM can sometimes be concentrated in a small number of schemes.

- SBI Liquid Fund has the highest individual AUM at approximately ₹57,052 Cr.
- On the performance side, Quant Small Cap Fund has the highest average 3-year return at approximately 71.40%.
- Insight : the fund with the highest AUM is different from the fund with the highest return.
